

NHS dental charges will rise by 4% from 1st April 24

- **Urgent dental treatment – £26.80** This covers urgent care in a primary care NHS dental practice such as pain relief or a temporary filling.
- **Band 1 – £26.80** This covers an examination, diagnosis (including X-rays), advice on how to prevent future problems, a scale and polish if clinically needed, and preventative care such as the application of fluoride varnish or fissure sealant if appropriate.
- **Band 2 – £73.50** This covers everything listed in Band 1 above, plus any further treatment such as fillings, root canal work or removal of teeth but not more complex items covered by Band 3.
- **Band 3 – £319.10** This covers everything listed in Bands 1 and 2 above, plus crowns, dentures, bridges and other laboratory work.

Check if you have an exemption from NHS costs
